The 49'ers are on the move again. The drive which possessed the prospector in 1849 has returned to his successor in 1949. The goals are different—the spirit is the same. Each looked forward to his future with a twinge of fear, a pang of loneliness, a consciousness of challenge. But instead of looking for the gold in the far-off hills of California, the 49'er of today is seeking the gold of knowledge that is stored all about him.

While the 1849'er had to combat the despoilers of his small community, the 1949'er must combat the despoilers of his whole world. The 1849'er depended on his six-shooter to save him; the 1949'er knows that the control of atomic power is not enough, that only an enlightened, educated people can save the peace for which he fought.

The difference in goals is echoed in the difference in tools. Instead of the pick and shovel of yesterday, the modern 49'er uses the books and ideas of today. What will be the result of this change in instruments? The 1849'er opened the West; the 1949'er hopes to open the future.

“THE

LAW''

DR. WILLIS E. PRATT,  
President of The College

A Pratt Chat

## The PRESIDENT'S Message

The Indiana State Teachers College has a two-fold purpose. The first of these is to prepare well educated citizens for a democratic society and the second to prepare those who are to be responsible for the education of others.

The fulfillment of these purposes offers to teacher education institutions everywhere, and to the State Teachers College at Indiana in particular, an opportunity to be of real service to the Commonwealth and the Nation. We accept here the philosophy of Elbert Hubbard who once said, "He is best educated who is most useful."

It is not our purpose to offer a cultural education in order that a select few might better enjoy a life of ease or in order that the more fortunate might dominate those whose educational opportunities have been limited. Rather, we hold to the high purpose that educational values may be best measured in terms of their usefulness to others.

In the preparation of those who will teach others, education for usefulness reaches a citadel. In that spirit has this institution been founded. In that same spirit should its graduates look forward to a life of service to others.

Take a Letter, Please

## DEAN OF INSTRUCTION

The Dean of Instruction, Dr. Ralph E. Heiges, handles in his office such academic activities of the college as the supervising of students, the approving of faculty schedules, and the maintaining of a unity of organization in the six departments of the college.

## ASSISTANT TO THE DEAN OF INSTRUCTION

The work of the Assistant to the Dean of instruction, Mr. Ralph Beard, deals primarily with the student testing program, the reporting and classifying of scholastic levels, Junior Standing applications, and the interviewing and guidance of new students.

## DEAN AND ASSISTANT DEAN OF WOMEN

Miss Florence Kimball, Dean of Women, and Dr. Dorcas Hall, Assistant Dean of Women, are responsible for the guidance and counseling of women students. Orientation of new students, social activities, and opportunities to participate in house government serve as agencies for adjustment and development of social consciousness.

## DEAN OF MEN

The Dean of Men, Mr. Walter M. Whitmyre, not only makes all boarding and housing arrangements but also serves in an advisory capacity to men students. In addition he is sponsor of both the Student Council and the Interfraternity Council.

## DIRECTOR OF STUDENT TEACHING

The Director of Student Teaching is Mr. John Davis, who serves as supervisor of student teaching, demonstration, and observation, not only at the Laboratory School, but at the off-campus centers as well, and who manages the Placement Bureau for seniors and graduates.

#### REGISTRAR

The many duties of Miss Mary L. Esch, Registrar, include correspondence with prospective students, approval of entrance applications, tabulation of enrollment and distribution of catalogs. In addition, grade records and official transcripts of students are handled in her office.

#### BUSINESS MANAGER

The Business Manager, Mr. William Schuster, conducts the financial business of the college, which includes the preparation of budgets, the purchasing of all supplies, the collection of student accounts, and the management of the funds of campus organizations.

#### TREASURER OF THE COOPERATIVE ASSOCIATION

The Treasurer of the Student Cooperative Association, Mr. John Lingenfelter, besides being the manager of the Book Store and serving as the College Postmaster and the Central Treasurer for campus organizations, is responsible for the budgeting and distributing of the CO-OP funds.

#### PUBLIC RELATIONS DIRECTOR

The Public Relations Director, Mr. Arthur Nicholson, is in charge of newspaper publicity, of coordinating work on all college publications, and of other public relations details. This office is a departure from the former organization of the college.

# ART EDUCATION

The Art Education Department, directed by Mr. Orval Kipp, works on a philosophy which might be stated thus: the art teacher should be a well-informed, cultured person, and, all things being equal, the better artist a teacher is, the better artist-teacher he will be.

Row I: Harris, Kipp    Row II: Reynolds, Murdock, Gasslander

Row I: Farrell, Webb, Thomas.

Row II: Hill, Drumheller, Stoner.

Row III: Garlow, File.

# BUSINESS EDUCATION

The Business Education Department, directed by Mr. G. G. Hill, aims to conduct the most efficient teacher education department possible in the business field. Teachers imbued with that spirit, an organization planned for that purpose, and continued high standards have established for the department an enviable reputation among schoolmen.

# HOME ECONOMICS

The Home Economics Department, directed by Dr. Opal J. Rhodes, has as its main purpose the preparation of home economics teachers who will aid both individuals and groups to cope with everyday living problems. The Family Relations course is open to all interested students in other departments.

Row I: Hayes, Rhoads, Head of Dept., Moss. Row II: Merriman, Oxley, Onware.  
Row III: Schnure, Rose, Stephenson, Bennett.

# MUSIC EDUCATION

Row I: Davis, Remsberg, Borge, Terrell, Hughes. Row II: Bothne, Burgraff, Reed. Row III: McNaughton, Silvey, Carl, Muldowney, Dunkelberger.

The Music Education Department is under the direction of Dr. Clel T. Silvey. One purpose of the department is to maintain a sound program in order to

produce more competent music teachers. Another is to present opportunities for those outside the department to participate in musical activities.

Dr. LaVerne Strong

## ELEMENTARY EDUCATION

The Division of Elementary Education, directed by Dr. LaVerne Strong, aims to produce well trained teachers for kindergartens, primary, and intermediate schools. At the Laboratory School, observations of classes, demonstrations of various types of lesson units, and examples of problems encountered in teaching are presented prior to student teaching.

Cultural, social and professional development is encouraged through active participation in the college chapter of the Association for Childhood Education (ACE).

## SECONDARY EDUCATION

The Division of Secondary Education, directed by Dr. Joy Mahachek, has for its major purpose the preparation of teachers for the secondary schools of Pennsylvania. Each student chooses a major and a minor area of interest from the several departments; English, and Speech, Foreign Languages, Geography, Mathematics, Science, and Social Studies.

Both the professional and social activities of this department are planned to provide opportunities for students to develop ideals of leadership and democracy.

Dr. Joy Mahachek

## LIBRARY

The Library, with Mr. Robert Grazier as head, offers both recreational reading facilities and research materials essential to the teaching program.

## LANGUAGES

The Foreign Languages Department, headed by Dr. Edward Beighler, prepares teachers in various language fields and offers courses to non-specialists who so desire.

## ENGLISH AND SPEECH

The English and Speech Department, headed by Dr. Rhodes Stabley, provides training for students of all divisions in the fundamentals of communication and offers opportunities for creative, scholarly, and professional work to all those wishing to specialize in literature, language, writing, dramatics, or speech.

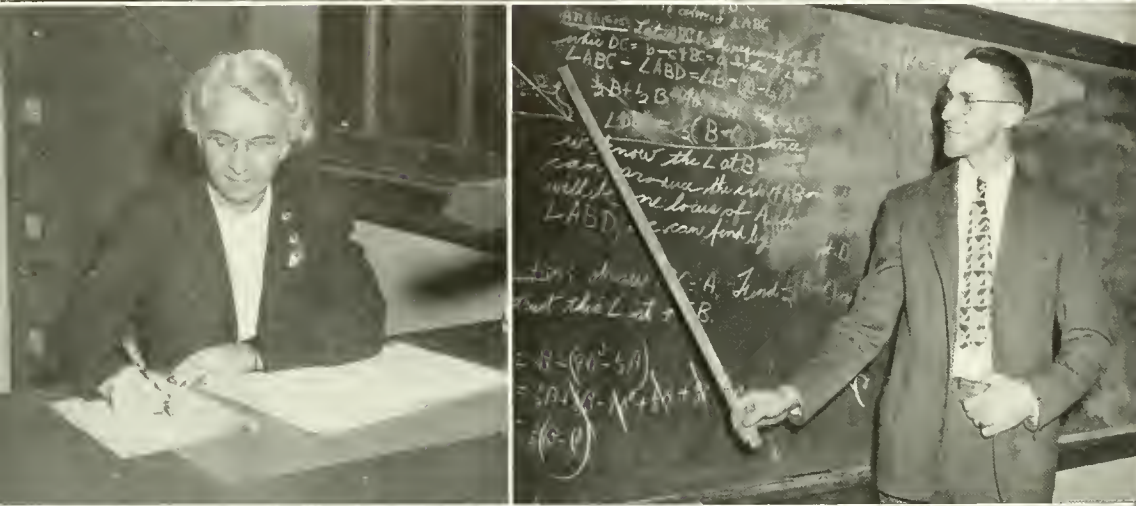

LIBRARY—Row I: Littlefield, Grazier, Ridenour. FOREIGN LANGUAGES—Row II: Beighler. ENGLISH AND SPEECH—Hayes, Ensley, Boardman. Row III: Stabley, McClure, Jones. Row IV: Cook, Norton, McConnahey, Perkins.

## GEOGRAPHY

The Geography Department, with Mr. Lawrence Davis as head, aims at developing in teachers a vision of a day when people will understand each other better.

## MATHEMATICS

The Mathematics Department, headed by Dr. Joy Mahachek, aims to develop teachers prepared to present functional mathematics in both elementary and secondary schools.

## PHYSICAL EDUCATION

The Physical Education Department, headed by Mr. George Miller, carries out its philosophy of a sound mind in a sound body through regular classes, intramural sports, and varsity athletics.

GEOGRAPHY—Row I: Zink, Davis. PHYSICAL EDUCATION—McKnight.  
MATHEMATICS—Row II: Mahachek, Stright.  
PHYSICAL EDUCATION—Row III: Gisolo, Miller.  
Row IV: Hamblen, Shaffer, Ellenberger.

**SCIENCE**—Row I: Iarns, Bell, Emmert, Dimit, Brenneman. Row II: Zeitler, Sollberger, Hoffmaster, Dunning. **EDUCATION**—Row III: Chew, Davis, Hadley, Rishberger, Beard. **SOCIAL STUDIES**—Row IV: Belden, Johnson, Wallace, Camp. Row V: Cordier, Whitmyre, Schnell, Hall.

## SCIENCE

The science Department, under Dr. Dwight E. Sollberger, endeavors to make Science as important on campus as it is in everyday life.

## EDUCATION

The Education Department, headed by Mr. Ralph Beard, serves the entire school by furnishing

a basis for the professionalization of the content of all courses.

## SOCIAL STUDIES

The Social Studies Department, headed by Mr. W. M. Whitmyre, aims to present to students the background and problems of an independent society.

As we came here to spend our first year on campus it was with a sincere desire to accomplish as much as we could. Through classes and social activities we soon became acquainted

with the faculty; through customs we came to know the upper classmen. After this, with our confidence bolstered, we were ready to take a more active part in all college activities.

In the middle of the first semester, when we met to organize our class, a committee of students from all departments nominated fellow classmates as candidates for class offices. From these nominations we elected our officers, who made plans for the activities of the year, including the prom.

With the experience and the achievements of our first year behind, we are now looking forward to the remainder of our college career at Indiana.

Returning to Indiana as Sophomores, we came back with the realization that our first and hardest year was over. We settled down to work, taking time out in February from our prom, the theme of which was "An Evening in Paris." It was really an evening to be remembered—fine music and lovely decorations combined with a congenial atmosphere.

Now we are looking forward to the last two years of our college career, confident that we can make them as successful and worthwhile as the first two. Our aim is to leave as Seniors, not only feeling that we have made a contribution to the college and that the college has benefited us, but also feeling that we have attained the professional dignity and stability required in the teaching field.

Finishing the third quarter of our college career, we, the class of 1950, start preparations for our senior year, our last fling at Indiana.

Looking back, it doesn't seem long ago that we were eager little freshmen. Though three years have flitted by, we still haven't lost that eagerness. As Juniors we contributed to all phases of college activity, displaying the energy and determination necessary to be successful. The curiosity of everyone on campus was aroused by the notice of our class party at the Club Egdol. Here, with dinner, music, dancing, and a floor show, we scored another point in the line of entertainment. With April came the Junor Prom, another great success and an event we'll always remember.

Through the years we maintained our high standard of behavior and cooperation, proving ourselves capable of being good future teachers, bringing honor to our class and to our school.

# S OF 1949

Three years or four—either way it seems so short a time since we entered the strange, new world that ISTC was to us then. We are a once-heterogenous group, now made homogenous by all that is Indiana: culture, ideals, training and social experience.

Some arrived four years ago, others three. Some came fresh from high school, others from military service. Some had little experience in the world, others had seen and fought in remote parts of it. Some have stayed in school steadily, winter and summer, others have not. But in spite of our different backgrounds, we have now become that unified, cohesive entity, the class of 1949.

Many things have contributed to this unification process: hard work, campus scenes, outstanding convocations and cultural life programs, plays, proms, and "Rec" Hall dances, outings, parties, professional and social extra-curricular activities, and, finally, student teaching with its many new problems.

Now we are at the threshold of that goal that seemed so far away four years ago, graduation with its glorious promises and intriguing challenges.

The culminating experience afforded senior students is the supervised work done in the Laboratory School or in a selected school near Indiana. Trained critics give guidance to student teachers by demonstrating good instructional procedures, by helping in the understanding of students, and by guiding the future educators in developing and teaching units of work.

The Student Council, an organization for expressing student opinion and cooperating with the faculty and administration, aims to convey a clearer concept of student government and to emphasize the realization that problems and obligations must be the concern and interest of all students. This year it enlarged upon activities to distribute responsibilities among members of the student body.

# NON-RESIDENT WOMAN'S LEAGUE

The Non-Resident Women's League, an organization for day-students, aims at stimulating interest and co-operation among its members. Although there are no dues for membership, small assessments are made to cover immediate expenses for such social events as outings at the lodge and occasional teas and parties.

## EXTRA-CURRICULAR ACTIVITIES COMMITTEE

Front: Kimball, Arone, Schnell—chairman, Shaffer  
Back: Davis, Garman, Strawcutter

The Extra -Curricular Activities Committee, a student- faculty group, is organized to consider problems relating to general campus activities. All proposed changes in the school calendar are approved or rejected by the group. Through the efforts of this organization, extra-curricular activities are scheduled so as to avoid conflicts.

## SOCIAL LIFE COMMITTEE

Shurie, Kimball —chairman, Hall, Sellner

The Social Life Committee is composed of the Dean and Assistant Dean of Women, the Dean of Men, and five students appointed by the president of the Student Council. Besides establishing the general social life policy of the college, this group plans the spending of the money allotted for social activities.

## THE CUE

The CUE, the student handbook, contains practical information for the purpose of familiarizing students and faculty, especially those new to the campus, with social regulations, campus activities and organizations, and college government. The editor and six staff members are selected from a list of applicants by the Student Council and a faculty committee.

## THE OAK'

Each year the "OAK" is better and better. And each year costs of editing go higher and higher. These trends have challenged the "OAK" staff of the Forty Niners.

The staff has constantly striven to produce a book that is streamlined. Capsuled write-ups, more pleasing art work, ubiquitous candid photography—all have been utilized in adding the New Look to the yearbook.

If we have met the challenge successfully, we have done it because of the constant unity of co-operation among both inspectors and prospectors. We present the 1949 "OAK", believing it will replenish constantly the treasury of many pleasant (and a few not-so-pleasant) memories at ISTC.

They say in Philadelphia nearly everyone reads the **Bulletin**—but in Indiana **everyone** reads the **Penn**.

Published every Thursday, the **Indiana Penn** is the official newspaper of the college. Although a faculty sponsor is available to the editorial staff for consultation or advice, the **Penn** is definitely a student publication with no blue pencilling.

In addition to covering the news fairly, the policy of the paper this year has been an effort to bring the student closer to his school. Through a democratic procedure of publication the staff is able to realize its goal.

The International Relations Club is sponsored by the Carnegie Endowment for International Peace.

The purposes of the organization are to stimulate interest in domestic and foreign problems and to present to the members something of the background of the peoples and politics of their own and foreign countries. This is done by panel and open discussions at the bi-monthly meetings. In addition to student reports, speakers are invited to present their views and opinions on world affairs.

A regional conference at Penn State was financed by the club.

"Our purpose is not to preach; nor even to teach; but merely to provide a means whereby students may learn together how their government operates."

Each year a convention on the Inter-Collegiate Conference on Government is held. This year it took the form of a Model Unicameral State Legislature.

The Science Club is an organization set up to promote interest in research and technological discoveries, to discover and advance individual interests, and to provide special activities for those interested in the biological, chemical, and physical sciences. Membership is open to all interested students. Activities include discussions, trips, prominent speakers, outings, and projects.

# FOOTBALL

Football was ushered on to the Indiana scene under the lights with the Red and White doing battle with a strong aggregation from St. Vincent. The power of the Bearcats' backfield was the story as they ground out a 25-0 decision over the spirited but outclassed Braves. For their second encounter of the season the Indians traveled to Mansfield. A weak pass defense proved the downfall of the Red and White as they were again shut out by a 27-0 score.

Indiana played the finest game of the season only to lose a heartbreaking 14-12 fracas to the California Tutors, who went on to capture the state teachers championship. Eddie Black tallied the Indian's initial touchdown of the 1948 season as the Red and White drew first blood. However, the Vulcans came back late in the first half gaining a lead they never relinquished. In a battle of winless

tems, the Indians defeated an outclassed Edinboro eleven 33-6 before a homecoming crowd of 2500 fans. After being held to a 7-6 lead through the first two cantos the Red and White exploded for 26 points in the second half. Friel, Spears, Chulick, and Fornwalt scored the Braves TD's.

Indiana traveled to Slippery Rock and dropped a heartbreaking 26-20 loss to the Rocket eleven. The hard-fighting Braves led up to the final seconds only to have the opponents rear to the game-winning marker. After a twenty-one year scalping an aggressive Clarion team pounded out a 33-0 victory over the Redmen in a game played under the arclights. The Indians offered no scoring threats as the heavier invaders had the situation well in hand from start to finish.

Playing in a sea of mud at Lock Haven the luckless Braves fell victims to a 34-0 setback by the Bald Eagles. The central state school showed a superior ground attack while several Indian drives fell short of the goal. In the season's final, the Braves battled valiantly against the visitors from Shipensburg only to lose in the 4th quarter as the Raiders roared to a 28-18 triumph. ### Notes For Season:

Jack Joll, guard, was chosen on the first team of the annual AP All-State Teachers College Eleven. Joe Shomo broke Joe Sutilla's previous scoring record of thirty points. Shomo made fifteen field goals and five out of seven fouls in the first Edinboro contest.

A parade of veterans who displayed ability and spirit for the height they lacked included Jack Joll, all-state guard, Captain Dave Broffman, Lou Chulick, Ed Fornwalt, John Daniels, Joe Shomo, Joe Wallace, Phil Catalano, and Boyd Stroup. New faces to the Brave's court were Ken Grote, transfer from Juanita, and J. C. Swauger, frosh.

Row I: Coach McKnight, Shomo, Joll, Broffman, Chuck, Grote. Row II: Peters, Swauger, Staley, Brumbaugh, Daniels, Wallace. Row III: Kraynak, Shahane, Jones, Korpash, Nichols, Catalano. Row IV: Friel, Miller, Phillips, Huger, George.

The Red and Slate passers appropriately opened the 1948-49 season at home with a hard-fought victory over California. Jack Joll who was to scintillate all year led the way with 18 points. Misfortune fell upon the locals when a colored team from Lincoln University put on the steam to rout the Indians, 92-47. A fast-moving St. Francis team romped over the Redmen 59-44. However, Indiana regained its winning ways to defeat a scrappy Clarion five, 55-51. J. C. Swauger's 13 points and fine rebounding were important factors in the win. In a return fracas St. Francis added insult to injury and handed the McKnightmen an 81-57 trouncing. St. Vincent upset the favored Braves 52-40 in a non-league fray.

Looking for something?

A two-way stretch.

Taking the trail the Indians met defeat when Shippensburg, led by Bob Chubb, 6 ft. 8 in. center, laced out a 60-41 defeat. With Joe Shomo establishing a new scoring record of 35 points, the Red and Slate breezed by an undermanned Edinboro team 75-65. At Slippery Rock the Braves went down to defeat on the short end of a 67-55 count. Gaining ample revenge for a football defeat, Indiana vanquished Clarion for the second time, 56-55. Traveling to Latrobe, the Indians evened the series with St. Vincent by winning 49-43. The locals threw a scare at the Slippery Rock courtmen for three quarters but, exhausted themselves in the fourth canto to lose, 62-50. Indiana played its finest game of the season when Shippensburg succumbed to the rampaging warriors, 71-65. A 57-52 win over Alliance and losses to California and Edinboro closed the season.

Row IV: Miller, McKnight, Kostas, Graham, Keene, Jones, Tezza, Hagele, Joll.

The aims of the Varsity "I" are to promote sportsmanship, to provide financial aid to athletes, and to cooperate with the school in furthering athletic facilities. Membership is restricted to letter winners in varsity sports. New additions to the 'I' group are golf and tennis. Teams from both sports engaged in intercollegiate schedules.

The new and the old prexies.

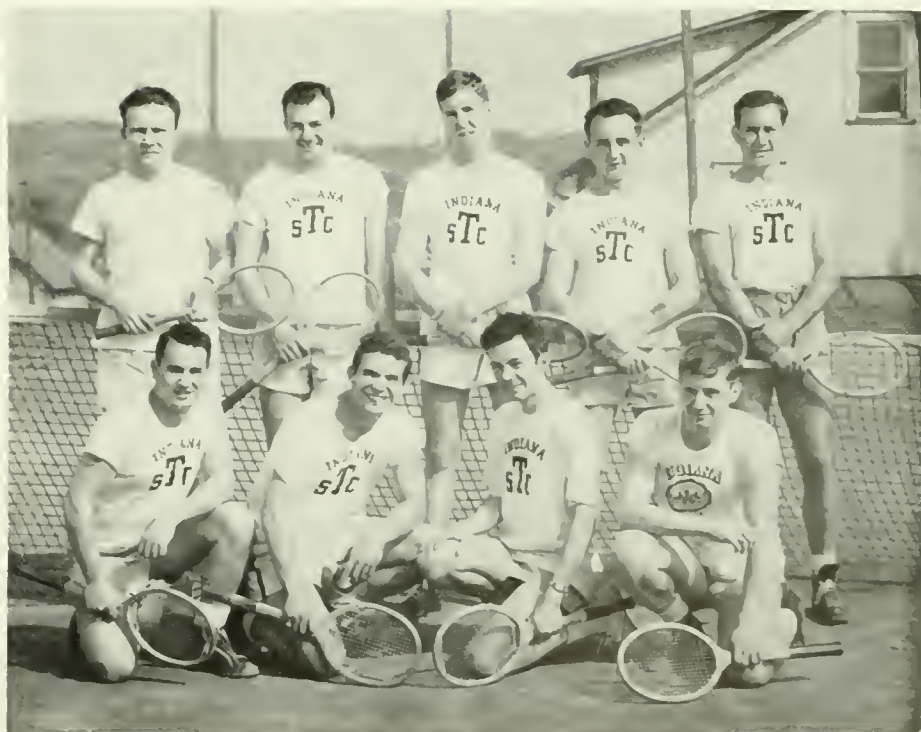

Coach Miller, Marlo, Groomes, Stapleton, Dickson, Brinker

## GOLF

For the first time in school history ISTC fielded a golf team. A new sport was born when Coach George P. Miller guided the linkmen through a successful season of three victories and one defeat. St. Francis fell twice and Old Fort once to the Indian divot-diggers while California STC gained a close 10-8 win over Indiana.

## TENNIS

Post-war athletics received another bolster when tennis was added to the list of intercollegiate sports. The 1948 edition found the Brave netmen, coached by Mr. Trevor Hadley, finishing with a record of two victories and two defeats. Wins were notched over Slippery Rock 5-4, and Clarion 7-2, while Shippensburg set the Braves back twice, 1-8 and 3-6.

tough opposition. Highlighting the unpredictable yet action-packed season were Krupper's undefeated slate, Fred Cornell's seven wins and Norman Cornell's exciting bouts in the heavyweight class.

Seasons injuries to Ed Ballute and to Krupper were a definite hindrance to the Indiana squad that conquered Shippensburg twice, and Clarion once. Losses were dealt out by Millersville, the state teachers champion, and Washington and Jefferson, Kent, Waynesburg, Clarion, Edinboro and Lock Haven.

# SOCCER

In its third year following the war, the Indiana soccer team has steadily gained recognition as a ranking sport. Returned veterans who displayed spirit and determination despite a rocky road included Colpo, Gorman, Keene, and Sgro.

After a victory over Kiski Prep in a practice game, the Red and White traveled to Slippery Rock, dropping a 5-1 contest. Returning home the local booters played Edinboro to a 1-1 tie repeating last seasons score. An invading Lock Haven team captured a hard-won 3-0 decision, following which the Indians dropped two hard-fought 2-1 games to Thiel College and Frostburg Teachers respectively.

Row I: Schwartz, Groves, Sgro, Sagan, Kestner, Taliere, Jackopin, Keene. Row II: Tiger, Stitts, Miller, Gorman, Ferguson, Daniels, Barto, Lightner, Mrg. Row III: Roberts, Gamberoni, Winters, Dietz, Jaloski, Colpo, Hemphill, Bernabei, Coach.

## BASEBALL

From a large host of candidates who reported for initial training, Coach Regis McKnight formed a smooth-fielding and hard-hitting baseball nine that rustled the cowhide through the 1948 season; the result was three wins and two losses with five games rained out. Although it was a hard task to single out a starting group, a well selected team took the field. George Gavala, Bob Coleman, Mike Lenowski, Peter Palmer, and Hal Wilson rounded out the mound corps, while Art Connors and co-captain Russ Carlson handled the catching chores. Walt Peters hovered over first base, Gene Bloom, the leading hitter, occupied the keystone sack, Andy Daskivich and Jack Joll divided play at shortstop, and Mark Krizmanich held down the hot-corner station. Lou Chulick, Pat Krupper, and co-captain Harry Startzell generally patrolled the outer gardens.

In the opener, Shippensburg blasted the Braves 16-2, but in a return game the tables were reversed and the locals won 5-4. Slippery Rock fell before the Indians 6-3 as did St. Francis, 4-2. Clarion handed Indiana its second loss in a thrilling 2-1 game.

Dramatic offerings continued to be top entertainment at Indiana in 1948-49. Starting with the summer Drama Workshop presentation, the plays were an outstanding contribution to student relaxation.

The fall season featured "Arsenic and Old Lace," a delightful comedy with an exhilarating surprise ending, and a group of one-act plays directed by students, both of which were well received.

During the second semester an outstanding performance of Tennessee Williams' intriguing "The Glass Menagerie" was followed by another program of one-act plays.

The summer found Tau Chapter acting as hostesses at the National Conclave held here on our campus. Many colleges and universities were represented. Following this, our school year began with a fall outing at the lodge. In October, Tau Chapter pledged three members and initiated one. December found us busily preparing for our Founder's Day Banquet. In the midst of all these activities, we found time for catering at different social functions. Our party for patronesses and a spring banquet honoring the seniors brought to a close a busy and profitable year.

Kappa Delta Pi, a national honor society in education, was brought to this campus in 1928. Its aim is "to encourage high professional, intellectual, and personal standards and to recognize contributions to education." Students who exhibit worthy educational ideals and sound scholarship and who are in the upper seven per cent of the Junior or Senior class are eligible for membership. A local requirement for membership is the completion of an original, creative piece of work in a field of interest to the initiate. Seventeen new members met these requirements for the fall initiation. Dr. Pratt was

welcomed as an honorary member at the meeting in January.

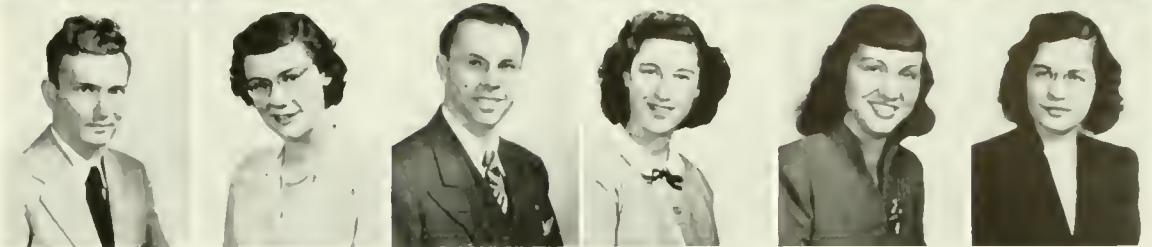

For the past several years, Beta Gamma Chapter has given a financial award to the sophomore with the highest scholastic record. In addition to this project, the fraternity this year made a survey by mail of all alumni members, their present positions, and their accomplishments in education.

Professional meetings, social get-togethers, and a spring banquet were included in the chapter's annual activities.

Panhellenic Tea

Panhellenic is an organization composed of three representatives from each of the six social fraternities for women on the Indiana campus. Its central purpose is to discuss all matters of interest and importance to the Greek letter groups affiliated with the National Panhellenic Congress.

The organization has contributed in various ways to the social life of the campus. By way of introducing social fraternities to entering freshmen and other new students on campus, Panhellenic held a coffee hour early in October. Also member groups contributed floats to the parade at various football games and participated in the highly informal program "It's Laughter We're After." This year, in order that more couples might attend the Annual Dance, the date was shifted from the usual holiday season to Feb. 26. That the change was

satisfactory was shown by a much larger attendance than in previous years. The theme, Heaven, was accentuated by celestial decorations. Entertainment was provided by Buddy Lee and his orchestra.

At the request of the fraternity sponsors, Dr. Edna B. Hays was appointed by the President of the college to serve as permanent sponsor of Panhellenic Association. Miss Helen McLean, acting sponsor in 1948-49, will assist Dr. Hays in this office. Next year bidding will take place during the first semester, informal parties will be omitted and all formal parties will be held during the same week. There will be no initiations until after grades are reported in January. This change should make it possible for Panhellenic members to achieve more of the goals set by the National Panhellenic Association.

We who proudly wear the red and white returned to Indiana last September full of plans for another year. Our first activity came in October with our Homecoming Tea for our alumnae. And weren't we pleased with the float we entered in the Homecoming parade! This was the first time we wore our new red sweaters.

The Panhellenic Tea beginning Rushing Season was followed by weeks of activity—coke sessions at Deeds, breakfast at Mike's, spaghetti dinners at La Prima's, where we got acquainted with a lot of swell freshmen. Our informal rush party was a

regular old-time circus complete with clowns, elephants, side-shows, and pink lemonade.

Christmas activities included making dolls and wrapping gifts to send overseas, a continuation of last year's project. Mrs. Walker, one of our patronesses, was hostess for our annual Christmas party, our final get-together before the holidays.

1949 came in with a bang and the days seemed to fly. Our formal rush party, pledging, the Panhel dance, Mother's Day luncheon, and finally the traditional Strawberry Festival. Yes, it has been a successful year, full of fun and enjoyment for the gals in red and white.

Did 'ya ever see those yellow and green hats parade across the campus? There are the Taus, back for another year of fun and friendship. First our get together at the Lodge with much laughter, reminiscing and eating. Then Homecoming and our float, "The Spirit of Indiana" . . . Alumna Tea . . . Mrs. Staehle, national president of Alpha Sigma Tau came to visit us . . . Skating party . . . Breakfast at the Dell . . . the mad rush and then . . . our formal party, "Ye Olde Southern Minstrel" with black faces and bow ties.

The new year brought in traditional manner the Mardi Gras Feestival, our formal party . . . we greeted those wonderful new sisters in true Tau style . . . and as graduating time drew near, our little sisters entertained at a Senior Farewell Party . . . How can we ever forget Snippy's pep and her turned down hat . . . Pat's poise and knack of always knowing the right thing to do . . . or Jo's carefree personality . . . We'll always miss them, but they'll always be with us in memories.

September . . . back to school. Sure was nice to see everyone again. We missed Slick, Anne, Ruth, and Pat. Marriage and other schools claimed them.

Proud . . . You bet! still owners of the See Loving Cup won at conclave. Speaking of conclave, our delegates brought back some wonderful favors and super ideas.

Parties . . . definitely! . . . Our first was held at the Lodge. A woodsy affair with hot dogs and all the trimmings.

Homecoming . . . Picture the Delts in a cream-colored convertible occupied by nine of our girls dressed in green and white, led by our majorettes D. S. and E. otherwise known as Vee, Doris, and Lois . . . Comedy . . . Positively! Two clowns capered around the car . . . Big plans . . . Oh, yes! First, our informal rush party, a trip through the jungle on an African Safari. Africa was never like that! And our big formal rush—say no more! . . . Pledging wonderful girls . . . May . . . Graduation. Just a little sad . . . Sure hate to see Max, Lou, Lorryne, Gretch, Marian, Mike, Arlene, Beth, Ruthie, and Bev leave . . . We'll miss you, kids!

A deluge of blue and gold caps heralded the return of those vivacious Pi Kap gals on campus in September. After two busy weeks, twelve Zetians boarded a bus for the District II convention in Pittsburgh.

Came Homecoming and Pi Kaps swarmed over a truck which emerged as a gorgeous blue and gold float, with cute girls in colorful gowns adding the final flourish.

Pre-rushing tension gave way at the Coffee Hour, followed by blue and gold invitations to Sunday dinners, spaghetti dates, football games, breakfasts, and the clever "Mother Goose" informal

party. And let's not forget the corny ILWA skit, either.

Our guests really looked glamorous at our traditional "Evening In Paris" formal party, so glamorous that we were on pins and needles until the day they decided to choose the badge of Pi Kappa Sigma.

Things settled down to a dull roar with plans for the Panhellenic Dance, annual Mother's Day Tea, National Convention, and the final, sad banquet for our cherished Seniors. The blue and gold caps tilted downward as we bid good-bye and locked away new Pi Kap memories in our hearts, "till we meet again."

Then it was off to the Theta Sigma Upsilon Dude Ranch with lots of good eats, fun, and action for our informal rush. The remainder of the year was heaped with breakfasts at Deed's, Friday dinners at La Prima's and Lewis', football and basketball games, and an occasional time out for tests. All was climaxed by the gaiety of the formal rush. Before we knew it, silence week was here and gone, followed by pledging some really grand gals.

There was Swing Out and all its festivities. And the Senior Banquet. Now that a year has passed, we must say goodbye to our Senior sisters. We'll miss them—that's sure! But after a wonderful vacation, we'll be back on the campus again, looking forward to a new beginning.

We Thetas, in our pink and gray hats, started the year in our usual merry fashion. We were proud of our float that led the Homecoming Parade. The names of four swell girls were added to our membership roll in October. And at Christmas we adopted an English family as a year-round project.

# INTER-FRATERNITY COUNCIL

The membership of the Inter-Fraternity Council consists of the president, a sponsor, and a representative from each of the three fraternities. When issues concerning the fraternities require discussion, meetings are called by the chairman, Dean W. M. Whitmyre. Each member has one vote on such decisions as rules for rushing and pledging, all professional activities, and fraternity social functions. The Inter-Fraternity Dance was a big event of the year.

Phi Alpha Zeta, Indiana's oldest fraternity, has the largest membership in its history. The Sadie Hawkin's float at Homecoming, the first meeting of the Alumni Association, the Inter-Fraternity dance, the acquirement of two cottages for the fraternity home, the work for "Laughter" after the previous year's success in winning the cup, and the two informal parties—one honoring our former sponsor, Mr. G. G. Hill, and our present sponsor, Dr. Joseph H. Meconnahey; and the other, the Rush Party—are events long to be remembered.

Forty members of the Alpha Chapter will be graduated this year, but the aims of the fraternity remain: to develop good fellowship, to further scholastic endeavor, and to build character.

1948 was a great year for Phi Sigma Pi. With the acquisition of two cottages on campus, we realize a warmer connotation in the word **fraternity**.

In sports, government, and other campus

activities, we were active participants. At the Inter-Fraternity Dance we were sheiks in our traditional white coats, winged collars, and winged ties. Old friendships were renewed over the Punch Bowl at Homecoming. We roared with

We members of Sigma Tau Gamma realize a degree of satisfaction with our improvements and progress of the past year.

During the summer vacation, members living in the Tau House remodeled the Chapter rooms, later adding new drapes. At Homecoming we entertained alumni and other visitors at Open House, and in traditional manner, we entered the

"Rose of Sigma Tau" in the parade.

For our House Party we moved to the hills of Dog Patch to celebrate Sadie Hawkins Day. In November we welcomed nineteen new members.

Second Semester events included the Eastern Province Conclave, the Freshman Smoker, the Spring House Party, and the annual Senior Party.

Graduates, our hats are off to you!  
You did it—and we congratulate you.

There were times when you were discouraged and tired of school, but you didn't quit. You struggled on and on—heeding to the sound advice of your family and teachers.

Today you have reached a period of success in your life, and your parents and friends are proud of you! We join them by saying,

## YOUR FINANCIAL DEPARTMENT STORE

Here in effect is a financial department store where you can take care of all your money matters.

Have you ever thought of the many things you can buy at our bank?

For instance, there's safety for the money you deposit with us; the convenience of paying bills by check instead of cash; protection for your valuable papers and articles through rental of a safe deposit box . . . . . just to name a few of the things our bank has on its shelves. You can also hire the use of money when you need it in business or for personal needs. You can finance a new home, a new car, new household equipment, home repairs, insurance premiums, educational courses and dozens of other sound projects.
